Prayer Thought:

“Suppose God the Father had taken the view many modern Christians take—the view that says anything Satan wants must be bad for God’s people. It’s the same view that implies that if Satan wants one thing to happen, God must want the exact opposite to happen. The result? God would have canceled the Crucifixion. If God had done that, none of us would be saved.”

Diamonds in the Dust, Jan. 26, Joni Eareckson Tada
