Thank you for your prayers for our son, Jason, while he was undergoing treatment for pancreatic cancer this year. God sustained him during his 13-hour surgery plus He protected all of us when Hurricane Harvey blew in while Jason was still in the Houston hospital. Jason was able to continue working through his treatment, except for a few weeks after surgery. His last scan shows that he is cancer-free and we praise God for the miraculous healing! God is good, and we praise Him! Please keep Jason in your prayers as he continues his walk with the Lord. Andy & Linda Meyer.
