### Prayer Thought:

“Every act of life, however small, has its bearing for good or for evil. Faithfulness or neglect in what are apparently the smallest duties may open the door for life’s richest blessings or its greatest calamities. It is little things that test the character. It is the unpretending acts of daily self-denial, performed with a cheerful, willing heart, that God smiles upon. We are not to live for self, but for others. And it is only by self-forgetfulness, by cherishing a loving, helpful spirit, that we can make our life a blessing. The little attentions, the small, simple courtesies, go far to make up the sum of life’s happiness, and the neglect of these constitutes no small share of human wretchedness.” Patriarchs and Prophets 158.2
